

Transportation

At your request, the Highland House coordinator can reserve a van/driver for you. Rather than renting a car or taking a taxi, a driver service is the most economical and reliable option in this region.

Full-time Van & Driver

During your stay, you can have a driver and van available for all your transportation needs. An air-conditioned van can seat up to 10 or 25 passengers.

Full-time van and driver - 10-Seater Rate: \$750.00
Full-time van and driver - 25-Seater Rate: \$1550.00

One tank of petrol (gasoline) is complimentary for all full-time service.

Please note: Full-time service is offered for a minimum of 4 consecutive days.

Trips beyond Negril and Ocho Rios incur an additional cost.

Per-Trip Service

If you choose not to reserve full-time service, the following rate applies:

\$25 per hour with a 2-hour minimum
Airport Transfer \$35.00 round trip per person
